## THE MBA DIFFERENCE

Here's why you should choose and trust MBA:

- **We Think Differently** – We are more than remodelers – we are consultative project managers dedicated to improving your surroundings and quality of life.
- **Unique Client Service** – We actively listen and learn the way you live in your home. Then we develop custom home solutions to compliment and enhance your lifestyle.
- **Leading Source For Reliable Answers** – Scott Mosby is widely recognized as the Home Improvement Answer Man for KMOX (1120 AM) radio. In addition, Mosby Building Arts, Ltd. is the trusted resource for reliable home enhancement answers in the St. Louis area for over 60 years.
- **Complete Team Of On-Staff Professionals** – Our architects, designers, builders and trade specialists reduce headaches by simplifying the process – you'll never be “caught in the middle.”
- **Client Satisfaction Second To None** – We understand that your home is more than an investment – it's personal. That's why our home enhancement experts take a unique approach to turning your dreams for your home into reality.

## THE MOSBY EXPERIENCE

We are experienced project consultants who interact with you and guide you through all phases of the design, selection and construction process. This personal relationship is just one of the reasons our clients return to Mosby for superior customer satisfaction. We invite you to take a closer look at the specific benefits of the Mosby Difference.

- **The MBA Process** – Mosby shares your vision and has a personalized process that painlessly guides you through every step of your home enhancement project to ensure you achieve the optimal results you desire.
- **Home Consultation** – When you have questions about your house, trust the leading source for reliable answers in the St. Louis area. Mosby Building Arts, Ltd. will perform a home consultation to help you determine your specific needs.
- **Architecture & Remodeling** – Mosby features a full staff of licensed architects, certified designers and skilled craftsman working together to improve and enhance your lifestyle.
- **Repairs & Maintenance** – We perform repair and maintenance services – and complete these services right the first time, helping you avoid costly repairs and headaches.
